

Dear Sirs,

The Department of Agricultural, Food and Environmental Law (Faculty of Law and Administration, Adam Mickiewicz University, Poznań, Poland) and National Scientific Centre "Institute of Agrarian Economics", Kyiv, Ukraine invites you to participate and present a paper in the Polish-Ukrainian Conference "***Challenges regarding innovation and intellectual property in the agri-food sector within the context of sustainable development and European integration***"

The Conference will take place **on December, 8 2023 (Friday)** in a hybrid form, i.e. on the MS Teams platform and at the Faculty of Law and Administration of the Adam Mickiewicz University, Niepodległości 53 street in Poznań.

The purpose of the Conference is, firstly, to indicate the importance of innovation, intellectual property and brands in the agri-food sector, secondly, to discuss problems of sustainability of development and processes of European integration in the agri-food sector, taking into account today's global crisis. The objective is as well to compare the progress of innovative ideas, intellectual property, and developments in the agri-food sector across various countries in the world. It is also importance to establish collaborations and dialogues with Researchers and Experts who are interested in innovation in the agri-food sector.

Paper can concern e.g. Intellectual property in agri-food sector; Digital innovation in agri-food; Sustainability-oriented innovation and co-patenting role in agri-food sector; Innovation Strategies in the Food Industry; Innovations in nanoscience for the sustainable development of food and agriculture; Intellectual property protection in plant varieties; Biotechnological inventions, The Multifaceted Role of the State in the Protection of Geographical Indications, technical innovation, etc.

Please send topic of your paper till 5 November 2023 (email [suchon@amu.edu.pl](mailto:suchon@amu.edu.pl) and [stolyarchuk.iae@gmail.com](mailto:stolyarchuk.iae@gmail.com)).

The conference will be held in English and is carried out as part of grant *The Iwan Wyhowski Award 2023*.
